

Gavroche Little people - Les Miserables

They laugh at me, these fellas,
Just because I am small
They laugh at me because I'm not hundred feet tall!
I tell 'em there's aot to learn down here on the ground
The world is big, but little people turn it around!

A worm can roll a stone
A bee can sting a bear
A fly can fly around Versailles
'Cos flies don't care!
A sparrow in a hut
Can make a happy home
A flea can bite the bottom
Of the Pope in Rome!

Gaoliath was a buiser who was tall as the sky.
But David threw a right and gave him one in the eye.
I never read the Bible but I know that it's true
It only goes to show what little people can do!

ALL
A worm can roll a stone
A bee can sting a bear
A fly can fly around Versailles
'Cos flies don't care!
A sparrow in a hut
Can make a happy home
A flea can bite the bottom
Of the Pope in Rome!

GAVROCHE
So listen here professor,
With your head in the cloud.
It's often kind of useful
To get lost in the crowd.
So keep your universities
I don't give a damn
For better or for worse it is
The way that I am!

Be careful where you go
'Cos little people grow...

And little people know

When little people fight
We may look easy pickings but we got some bite!
So never kick a dog because he's just a pup
You better run for cover when the pup grows up!

And we'll fight like twenty armies
And we won't give up

ALL
A worm can roll a stone
A bee can sting a bear
A fly can fly around Versailles
'Cos flies don't care!
A sparrow in a hut
Can make a happy home
A flea can bite the bottom
Of the Pope in Rome!

Tony - Something's coming - West Side Story

Could be!
Who knows?
There's something due any day;
I will know right away,
Soon as it shows.
It may come cannonballing down through the sky,
Gleam in its eye,
Bright as a rose!

Who knows?
It's only just out of reach,
Down the block, on a beach,
Under a tree.
I got a feeling there's a miracle due,
Gonna come true,
Coming to me!

Could it be? Yes, it could.
Something's coming, something good,
If I can wait!
Something's coming, I don't know what it is,
But it is
Gonna be great!

With a click, with a shock,
Phone'll jingle, door'll knock,

Open the latch!
Something's coming, don't know when, but it's soon;
Catch the moon,
One-handed catch!

Around the corner,
Or whistling down the river,
Come on, deliver
To me!
Will it be? Yes, it will.
Maybe just by holding still,
It'll be there!

Come on, something, come on in, don't be shy,
Meet a guy,
Pull up a chair!
The air is humming,
And something great is coming!
Who knows?
It's only just out of reach,
Down the block, on a beach,
Maybe tonight . . .
